THE COMPANY

Established in 1970 in Concordua Sagittaria, Venezia, Italia, Zanco Marmi snc is a vertically inte- grated company specializing in quarrying, processing, and trading of natural stones and engineered surfaces. The company operates two production units and maintains privately held marble quarries, complemented by two slab showrooms. Zanco Marmi snc exports to over 4 countries, utilizing advanced automation and robotics to refine the final products. Our collaborations with major architectural firms and an extensive wholesale network emphasize our global pres- ence and commitment to excellence. Zanco Marmi snc undertakes a vari- ety of projects worldwide, including hospitality, commercial, and residential developments.
